

Shaping the Future: Keeping Connected

2019 is going to be a very busy year for us at Herts County Council and we would like your thoughts on how we can continue to improve services in a number of areas,

1. Breaks for carers
2. Carers support
3. Community meals (formerly meals on wheels)
4. Older people's lunch clubs

In order to include the views of people who use these services (or may be affected by them in the future) we would like to invite members of the public, carers and representative groups to attend an event to hear about the current services and to consider in round table discussions how they think they can best be delivered in future. The events will be held on 2 separate dates so please select only one event.

On both occasions the event will commence with coffee and registration from 10am, with the sessions from 10.30 to 1pm followed by a light sandwich lunch. We will have forms available at the events so that members of the public and carers will be able to apply for reimbursement of travel costs and replacement care.

To reserve a place at one of the events please book here:

- [16th May, The View, Panshanger Golf Course, Old Hens Lane, Welwyn Garden City AL7 2ED](#)
- [20th May, Stanborough Centre, 609 St Albans Rd, Watford WD25 9JL](#)

Alternatively if you are not confident using an electronic booking system please contact our support team on 01438 845016 who will take your booking over the phone.

Please let us know if you have particular needs or dietary requirements:
