

IMPROVING ACCESS TO QUALITY FAMILY PLANNING SERVICES:

WHO FP Accelerator Project Lessons learnt from three countries

Monday 14 Dec 2020 | 13.00-14.00 Geneva | 15.00-16.00 Tanzania | 17.00-18.00 Kabul | 21.00-22.00 Timor-Leste

The WHO Family Planning Accelerator project supports Ministries of Health and partners in 14 countries to accelerate quality and rights-based family planning services grounded in the broader frameworks of the SDGs, Universal Health Coverage and the WHO 13th Global programme of work. The project strengthens **country leadership**, leverages **partnership**, provides **technical support** to countries and coordinates **peer-to-peer learning exchange** between countries.

Join this webinar to hear from three WHO country office representatives about their experiences and lessons learned from building capacity of front line workers to accelerate FP services:
