

INTERNATIONAL **VIRTUAL** CONFERENCE ON EMERGENCY MEDICINE

8 - 12 JUNE 2021

NOW GOING FULLY VIRTUAL

www.icem21.com

Welcome to the 20th International Virtual Conference on Emergency Medicine (ICEM21)

It is with great pleasure we announce that the 20th International Virtual Conference on Emergency Medicine (ICEM21), will be held *virtually* from 8th to 12th June 2021.

The conference has been comprehensively organized to capture the excellent innovations in Emergency Medicine, primarily in the areas of Trauma, Emergency Nursing, Career Development, Military Medicine, Fundamentals of EM, Wellness, Administration, ED Operations, Disaster Medicine, Simulation, Sepsis, Cardiovascular, Pediatrics, Imaging, Abdominal, Neurovascular, Psych and other sub-branches related to the field of Emergency Medicine.

Abstract Submission Open for ICEM21

Abstract submission is open for the Conference. The abstract can be submitted for consideration as an oral/poster presentation until 1st March 2021. This serves as a great opportunity to be in a unique learning environment that inspires and enables research, innovation, discovery, and excellence.
