Please note that Kit United, and its subsidiaries – in charge of providing the platform and managing its technical aspects - also collect your personal data as data controller, in order to generate statistics on the use of the platform. This processing is based on the data controller's legitimate interests to improve the platform. The personal data are retained for the duration of the contractual relationship between Kit United and the Data Controller, plus 90 days.

ARTICLE 3. DATA RETENTION PERIOD

The Data Controller informs the User that the personal data related to the User Account is retained only during the length of the User's subscription on the Platform.

Following the termination of said subscription, the data collected upon the subscription as well as the content published by the User on the Platform shall be deleted after a period of [.]**[to be determined by the Customer]**.

ARTICLE 4. DATA TRANSFERS

The Users' data are stored in the European Economic Area (EEA) by the Data Controller, its subsidiaries and its trusted service providers. However, depending on the processing, the Users' data may also be transferred in a country outside the EEA, to our trusted service providers and/or subsidiaries.

When transferring data outside the EEA, the Data Controller ensures that the data are transferred in a secured manner and with respect to the Data Protection Law. When the country where the data are transferred does not have a protection comparable to that of the EU, the Data Controller uses "appropriate or suitable safeguards".

When the service providers to whom personal data are transferred, are located in the United States, these transfers are governed by the standard data protection clauses adopted by the Commission.

Personal data transfers may take place outside the EU/EEA in order to ensure the functioning of the solution. Indeed, Hivebrite uses third party services providers located outside the EU for the following purposes:

- Hosting of personal data, including image, profile pictures, backups, etc.;
- production and storage of error logs enabling Hivebrite's developers to correct the code;
- sending of emails;
- customer supports;
- Direct messaging module;
- analysis of the User's journey of the platform.

The country outside the EU/EEA where your personal data may be transferred are:

- United Kingdom;
- Switzerland;
- The United States of America;
- Australia.

These transfers are based on one of the following guarantees:

- an adequacy decision, regarding personal data transfers to the United Kingdom and Switzerland;
- the Standard Contractual Clauses of the EU Commission ([available here](#));
- your consent.

ARTICLE 5. COMMITMENT OF THE DATA CONTROLLER

The Data Controller commits to process User's personal data in compliance the Data Protection Law and undertake to, notably, respect the following principles:

- Process User's personal data lawfully, fairly, and in a transparent manner;
- Only collect and process the Users' data for the strict purpose as described under article 2 of the present privacy policy;
- Ensure that the personal data processed are adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed;

- Do the best efforts to ensure that the personal data processed are accurate and, if necessary, kept up to date and take all reasonable steps to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay;
- Keep personal User's data for no longer than is necessary for the purposes for which they are processed;
- Put in place all necessary technical and organizational appropriate measures in order to ensure the security, confidentiality, integrity, availability and the resilience of the process systems and services;
- Limit the access to the Users' data to the persons duly authorized to this effect;
- Guarantee to the Users their rights under the Data Protection Law in relation to the processing of their data and make the best efforts to satisfy any request, where this is possible.

ARTICLE 6. EXERCISE OF THE USERS' RIGHTS

The User is duly informed that it disposes at any time, depending on the legal basis of the processing, a right to access, to rectification, to erasure, to restriction of processing, to data portability, and to object.

When processing is based on User's consent, the right to withdraw consent at any time, without affecting the lawfulness of the processing based on consent before its withdrawal.

The User can exercise its rights by sending an email to the following address contact@idiapulse.org.

In addition, in the event the User considers that its rights have not been respected, the User of which the personal data is collected can lodge a complaint before the competent supervisory authority. For any additional information, you can review your rights on the websites of the competent authorities.

The competent supervisory authorities are listed on the following website:

http://ec.europa.eu/justice/article-29/structure/data-protection-authorities/index_en.htm.

ARTICLE 7. COOKIES

The Data Controller informs the User that Hivebrite, as well as its subcontractors, uses a tracking technology on its terminal such as cookies whenever the User navigates on the Platform subject to the conditions described in the Data Controller Cookie Policy.

In particular, Hivebrite may use a cookie called "Amplitude", to enable analytics of the User's journey on the platform. This cookie involves a transfer of personal data to the United States of America. Hivebrite has signed Standard contractual clauses in order to comply with the requirements of the GDPR on personal data transfer, and will not use this cookie without gathering your consent first.

For more information about the processing carried out by Hivebrite as data controller, the User is invited to consult [Hivebrite's privacy policy](#).

ARTICLE 8. RECIPIENT AND PERSONS AUTHORIZED TO ACCESS THE USERS' DATA

Only **authorized persons working for the Data Controller**, including employees, volunteers, trainees, working for the Data Controller and, in some cases, its subsidiaries, can access your personal data. The Data Controller makes its best effort to ensure that these groups of people remain as small as possible and maintain the confidentiality and security of User's personal data.

The Data Controller also uses **trusted service providers** to carry out a set of operations on his behalf for hosting. The Data Controller can also use service providers in the tech industry, editors of specific tools integrated in the Platform for technical purposes.

The Data Controller only provides service providers with the information they need to perform the service and ask them not to use your personal data for any other purpose. The Data Controller does his best to ensure that all these trusted service providers only process the personal data on our documented instructions and provide sufficient guarantees, in particular in terms of confidentiality, expert knowledge, reliability and resources, to implement technical and organizational measures which will meet the requirements of the applicable legislation, including for the security of processing.

The Data Controller may be required to disclose or share your personal data to comply with a legal obligation, or to enforce or apply our terms of use/sale or any other conditions you have accepted; or to protect the rights, safety or property of Results for Development, its beneficiaries and/or employees.
