As a Visitor or Member of our Services, the collection, use and sharing of your personal data is subject to this Privacy Policy (which includes our Cookie Policy and other documents referenced in this Privacy Policy) and updates.

1.2 Members and Visitors

When you register and join the Solutions Central (DBA Security Current) Service or become a registered user, you become a Member. If you have chosen not to register for our Services, you may access certain features as a “Visitor.”

1.3 Change

We may make changes to the Contract.

We may modify this Contract, our Privacy Policy and our Cookies Policies from time to time. If we make material changes to it, we will provide you notice through our Services, or by other means, to provide you the opportunity to review the changes before they become effective. We agree that changes cannot be retroactive. If you object to any changes, you may close your account. Your continued use of our Services after we publish or send a notice about our changes to these terms means that you are consenting to the updated terms.

2. Obligations

Here are some promises that you make to us in this Contract:

You're eligible to enter into this Contract.

2.2 Your Account

You will keep your password a secret.

You will not share an account with anyone else and will follow our rules and the law.

Members are account holders. You agree to: (1) try to choose a strong and secure password; (2) keep your password secure and confidential; (3) not transfer any part of your account (e.g., connections) and (4) follow the law and our list of Dos and Don'ts and Professional Community Policies. You are responsible for anything that happens through your account unless you close it or report misuse.

USER AGREEMENT

2.3 Payment

You'll honor your payment obligations and you are okay with us storing your payment information. You understand that there may be fees and taxes that are added to our prices.

We don't guarantee refunds.

If you buy any of our paid Services ("Premium Services"), you agree to pay us the applicable fees and taxes and to additional terms specific to the paid Services. Failure to pay these fees will result in the termination of your paid Services. Also, you agree that:

- Your purchase may be subject to foreign exchange fees or differences in prices based on location (e.g. exchange rates).
- We may store and continue billing your payment method (e.g. credit card) even after it has expired, to avoid interruptions in your Services and to use to pay other Services you may buy.
- If you purchase a subscription, your payment method automatically will be charged at the start of each subscription period for the fees and taxes applicable to that period. To avoid future charges, cancel before the renewal date. Learn how to cancel or suspend your Premium Services.
- All of your purchases of Services are subject to Solutions Central (DBA Security Current)'s refund policy.
- We may calculate taxes payable by you based on the billing information that you provide us at the time of purchase.

You can get a copy of your invoice through your Solutions Central (DBA Security Current) account settings under "Purchase History".

2.4 Notices and Messages

You're okay with us providing notices and messages to you through our websites, apps, and contact information. If your contact information is out of date, you may miss out on important notices.

You agree that we will provide notices and messages to you in the following ways: (1) within the Service, or (2) sent to the contact information you provided us (e.g., email, mobile number, physical address). You agree to keep your contact information up to date.

Please review your settings to control and limit messages you receive from us.

2.5 Sharing

When you share information on our Services, others can see, copy and use that information.

Our Services allow messaging and sharing of information in many ways, such as your profile, slide decks, links to news articles, job postings, and blogs. Information and content that you

USER AGREEMENT

share, or post may be seen by other Members, Visitors or others (including off of the Services). Where we have made settings available, we will honor the choices you make about who can see content or information (e.g., message content to your addressees, sharing content only to Solutions Central (DBA Security Current) connections, restricting your profile visibility from search engines, or opting not to notify others of your Solutions Central (DBA Security Current) profile update). For job searching activities, we default to not notifying your connections network or the public. So, if you apply for a job through our Service or opt to signal that you are interested in a job, our default is to share it only with the job poster.

We are not obligated to publish any information or content on our Service and can remove it in our sole discretion, with or without notice.

3. Rights and Limits

3.1. Your License to Solutions Central (DBA Security Current)

You own all of the content, feedback, and personal information you provide to us, but you also grant us a non-exclusive license to it.

We'll honor the choices you make about who gets to see your information and content, including how it can be used for ads.

As between you and Solutions Central (DBA Security Current), you own the content and information that you submit or post to the Services, and you are only granting Solutions Central (DBA Security Current) and our *affiliates* the following non-exclusive license:

A worldwide, transferable and sublicensable right to use, copy, modify, distribute, publish, and process, information and content that you provide through our Services and the services of others, without any further consent, notice and/or compensation to you or others. These rights are limited in the following ways:

You can end this license for specific content by deleting such content from the Services, or generally by closing your account, except (a) to the extent you shared it with others as part of the Service and they copied, re-shared it or stored it and (b) for the reasonable time it takes to remove from backup and other systems.

1. We will get your consent if we want to give others the right to publish your content beyond the Services. However, if you choose to share your post as "*public*", we will enable a feature that allows other Members to embed that public post onto third-party services, and we enable search engines to make that public content findable through their services.
2. While we may edit and make format changes to your content (such as translating it, modifying the size, layout or file type or removing metadata), we will not modify the meaning of your expression.

USER AGREEMENT

3. Because you own your content and information and we only have non-exclusive rights to it, you may choose to make it available to others, including under the terms of a Creative Commons license.

You and Solutions Central (DBA Security Current) agree that if content includes personal data, it is subject to our Privacy Policy.

You and Solutions Central (DBA Security Current) agree that we may access, store, process and use any information and personal data that you provide in accordance with the terms of the Privacy Policy and your choices (including settings).

By submitting suggestions or other feedback regarding our Services to Solutions Central (DBA Security Current), you agree that Solutions Central (DBA Security Current) can use and share (but does not have to) such feedback for any purpose without compensation to you.

You promise to only provide information and content that you have the right to share, and that your Solutions Central (DBA Security Current) profile will be truthful.

You agree to only provide content or information that does not violate the law nor anyone's rights (including intellectual property rights). You also agree that your profile information will be truthful. Solutions Central (DBA Security Current) may be required by law to remove certain information or content in certain countries.

3.2 Service Availability

We may change, suspend or end any Service, or change and modify prices prospectively in our discretion. To the extent allowed under law, these changes may be effective upon notice provided to you.

We may change or discontinue any of our Services. We don't promise to store or keep showing any information and content that you've posted.

Solutions Central (DBA Security Current) is not a storage service. You agree that we have no obligation to store, maintain or provide you a copy of any content or information that you or others provide, except to the extent required by applicable law and as noted in our Privacy Policy.

3.3 Other Content, Sites and Apps

Your use of others' content and information posted on our Services, is at your own risk.

Others may offer their own products and services through our Services, and we aren't responsible for those third-party activities.

By using the Services, you may encounter content or information that might be inaccurate, incomplete, delayed, misleading, illegal, offensive or otherwise harmful. Solutions Central

USER AGREEMENT

(DBA Security Current) generally does not review content provided by our Members or others. You agree that we are not responsible for others' (including other Members') content or information. We cannot always prevent this misuse of our Services, and you agree that we are not responsible for any such misuse. You also acknowledge the risk that you or your organization may be mistakenly associated with content about others when we let connections and followers know you or your organization were mentioned in the news. Members have choices about this feature.

You are responsible for deciding if you want to access or use third-party apps or sites that link from our Services. If you allow a third-party app or site to authenticate you or connect with your Solutions Central (DBA Security Current) account, that app or site can access information on Solutions Central (DBA Security Current) related to you and your connections. Third-party apps and sites have their own legal terms and privacy policies, and you may be giving others permission to use your information in ways we would not. Except to the limited extent it may be required by applicable law, Solutions Central (DBA Security Current) is not responsible for these other sites and apps – use these at your own risk. Please see our Privacy Policy.

3.4 Limits

We have the right to limit how you connect and interact on our Services.

Solutions Central (DBA Security Current) reserves the right to limit your use of the Services, including the number of your connections and your ability to contact other Members.

Solutions Central (DBA Security Current) reserves the right to restrict, suspend, or terminate your account if Solutions Central (DBA Security Current) believes that you may be in breach of this Contract or law or are misusing the Services (e.g., violating any of the Dos and Don'ts or Professional Community Policies).

3.5 Intellectual Property Rights

We're providing you notice about our intellectual property rights.

Solutions Central (DBA Security Current) reserves all of its intellectual property rights in the Services. Using the Services does not give you any ownership in our Services or the content or information made available through our Services. Trademarks and logos used in connection with the Services are the trademarks of their respective owners. Solutions Central (DBA Security Current) logos and other Solutions Central (DBA Security Current) trademarks, service marks, graphics, and logos used for our Services are trademarks or registered trademarks of Solutions Central (DBA Security Current).

USER AGREEMENT

3.6 Automated Processing

We use data and information about you to make relevant suggestions to you and others.

We will use the information and data that you provide and that we have about Members to make recommendations for connections, content and features that may be useful to you. For example, we use data and information about you to recommend jobs to you and you to recruiters. Keeping your profile accurate and up-to-date helps us to make these recommendations more accurate and relevant.

SOME LAWS DO NOT ALLOW CERTAIN DISCLAIMERS, SO SOME OR ALL OF THESE DISCLAIMERS MAY NOT APPLY TO YOU.

4.2 Exclusion of Liability

These are the limits of legal liability we may have to you.

IN NO EVENT SHALL THE LIABILITY OF SOLUTIONS CENTRAL (DBA SECURITY CURRENT) AND ITS AFFILIATES (AND THOSE THAT SOLUTIONS CENTRAL (DBA SECURITY CURRENT) WORKS WITH TO PROVIDE THE SERVICES) EXCEED, IN THE AGGREGATE FOR ALL CLAIMS, AN AMOUNT

USER AGREEMENT

THAT IS THE LESSER OF (A) FIVE TIMES THE MOST RECENT MONTHLY OR YEARLY FEE THAT YOU PAID FOR A PREMIUM SERVICE, IF ANY, OR (B) US \$1000.

THIS LIMITATION OF LIABILITY IS PART OF THE BASIS OF THE BARGAIN BETWEEN YOU AND SOLUTIONS CENTRAL (DBA SECURITY CURRENT) AND SHALL APPLY TO ALL CLAIMS OF LIABILITY (E.G. You and Solutions Central (DBA Security Current) both agree that all claims and disputes can be litigated only in the federal or state courts in New Jersey, and you and Solutions Central (DBA Security Current) each agree to personal jurisdiction in those courts.

However, you agree that Solutions Central (DBA Security Current) may assign this Contract to its affiliates or a party that buys it without your consent.
