

Online CV and interview workshops

Real, a Disabled people's organisation is offering free CV and interview workshops to students with special educational needs and disabilities (SEND) in Year 12 or soon to be leaving school.

The workshops will equip you with the confidence to apply for jobs, succeed in interviews and overcome barriers to employment.

Our sessions will teach you how to:

- Make a stand-out CV
- Identify the skills you already have
- Prepare for an interview
- Ask for adjustments and let employers know your needs

We'll also be offering an afternoon mock interview session to get you ready for the real thing.

Please note spaces are limited.

We aim for the sessions to be inclusive and accessible to all.

To find out more or to sign up, you can:

- Follow the link or scan the QR code
- Contact Amris on
amris.sahota@real.org.uk or
07412236758
