

# EANS Postdoctoral Program 2025 - 2026

Step into the next phase of your research career with the European Academy of Nursing Science (EANS).

This program offers postdoctoral researchers personalized mentorship, professional development, and networking opportunities to build leadership skills and drive innovation in nursing science.

- **Kick-off meeting** at the EANS Conference 2025
- **Scholar program:** Participate in or (co-)lead in organizing a session at the Winter Summit or Summer Conference in 2026
- **Mentoring:** One-on-one mentor meetings every 3 months, possible research stay abroad
- **International collaboration:** Online learning community and intervision meeting

## APPLICATION DEADLINE

**17 APRIL 2025**

## Who Can Apply?

- Active, paid full EANS membership
- PhD completed between July 1, 2020, and June 30, 2025
- Focus on advancing nursing science
- Commitment to participate in the kick-off meeting (July 8, 2025) and scholar's program

The program runs for 18 months.
