Open PNLINK on a web browser

9 Steps 

On the address bar, type: community.pasteur-network.org

STEP 1

Click on Sign up

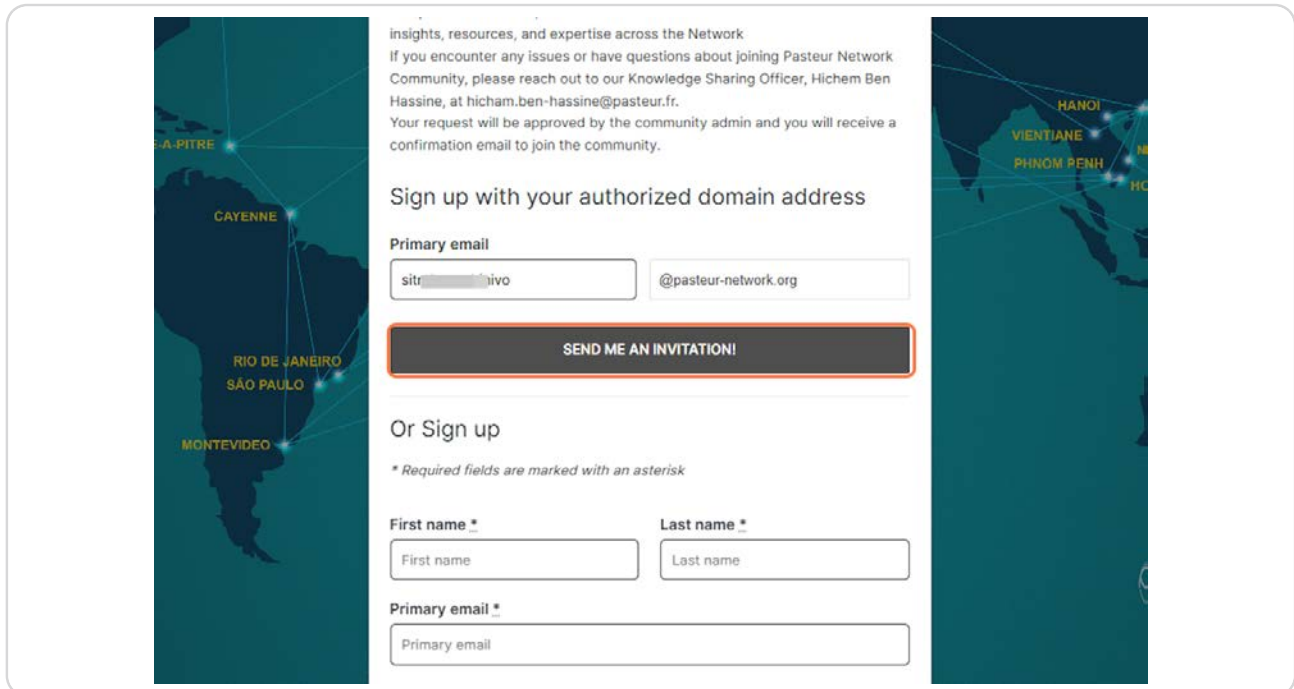

STEP 2

Fill in your professional email address

If you use an email address registered with a Pasteur Network Member Organization (authorized domain address), you will just need to type your username and choose the appropriate domain name from the dropdown list. And then, click on "Send me an invitation". You will then receive an email instantly!

If you use an external email address (eg. ; @gmail, or yahoo), you will have to fill more details on the form below (name, email, job profile, affiliation, captcha) before clicking on "Sign up". An admin will have to manually review your information before you can proceed to the next steps.

insights, resources, and expertise across the Network
If you encounter any issues or have questions about joining Pasteur Network Community, please reach out to our Knowledge Sharing Officer, Hichem Ben Hassine, at hicham.ben-hassine@pasteur.fr.
Your request will be approved by the community admin and you will receive a confirmation email to join the community.

The form is flanked by two vertical panels. The left panel shows a map of South America with cities like Cayenne, Rio de Janeiro, São Paulo, and Montevideo. The right panel shows a map of Southeast Asia with cities like Hanoi, Vientiane, Phnom Penh, and HCMC.

STEP 3

Check your email inbox!

If you registered using an authorized domain address (an email address affiliated with a Pasteur Network member organization), you will receive the activation email instantly.

If you registered using an external email address, you will receive an activation email after a manual review. Please contact your Institute's communication focal point to notify an admin.

STEP 4

Fill in the activation form

The information you provide on this form will be used to create your profile and help you connect with other Pasteur Network people.

Field of expertise are the specific fields you work on. Type and select any fields that apply to you.

Job profile is the type of work you do everyday. Please select the most relevant.

STEP 5

Click on ADD EXPERIENCE

Add your current and past experiences within the Pasteur Network.

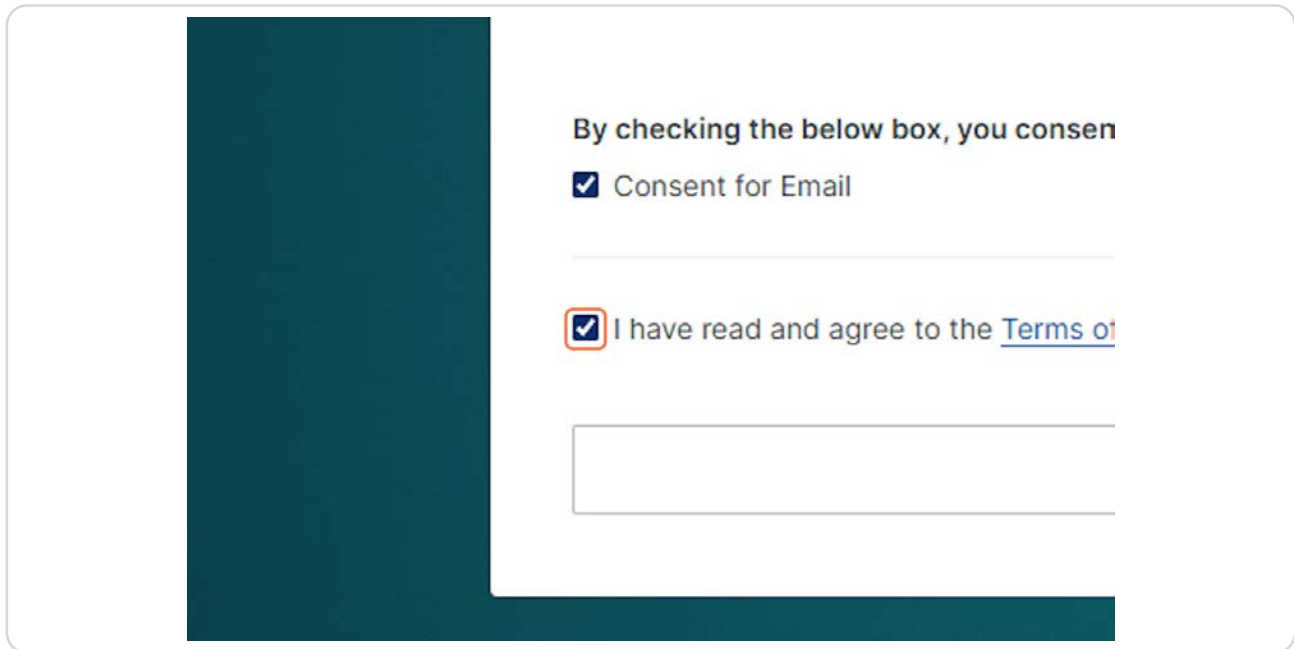

It is really important to help connecting you with the relevant people across your organisation and globally.

The screenshot shows a web form for adding an experience. At the top is a text input field labeled "PubMed page". Below it are two password fields: "Password *" and "Password confirmation *", with a "Confirm password*" label under the second. A "Location *" field with a location pin icon and "City, Country" placeholder is next. A red arrow points to the "ADD EXPERIENCE" button. Below the button is the "Organization *" field, which contains the text "Pasteur netw" and is highlighted with an orange border. Underneath is the "Position *" field. A checkbox labeled "Current Position" is present. A "REMOVE EXPERIENCE" button is located below the checkbox. At the bottom of the form is an "ADD EDUCATION" button. The form is flanked by dark teal vertical bars with a world map pattern. On the right bar, the text "AST", "ET W", and "or Glob" is visible.
