

27 & 28 November 2025, Paris

# MEET THE FUTURE HEALTH INNOVATORS OF EUROPE

JOIN US IN EMPOWERING THE NEXT GENERATION  
OF HEALTHCARE INNOVATORS

# An inspiring opportunity for all

# Connect with ambitious minds

The EIT Health Career Path isn't just an event. It's a celebration of talent, innovation, and the future of healthcare in Europe.

Connect with leading brands and key players in the industry and meet the best and brightest new health innovators at the fourth edition of EIT Health's Career Path event. Together we'll celebrate their achievements and inspire them to discover what the next step in their career path could be.

Over the course of two days, you'll meet i-Days finalists from 24 different European cities, graduates from the EIT Labelled Programmes, four winning Bootcamp teams and the next generation of innovators from the EIT Health Innovators Community.

Join us to inspire and connect with the next generation of talent.

# EIT Health empowers the future healthcare innovators in Europe

Talented students and leading organisations trust EIT Health because we:

- ✦ Inspire hundreds of bright minds from EIT Health Education programmes
- ✦ Enhance their knowledge and skills, and equip them to become innovators of the future
- ✦ Foster networking between students, like-minded people and companies
- ✦ Promote EIT Health activities, programmes, and initiatives to keep students engaged
- ✦ Play a crucial role in empowering students' entrepreneurial careers in the healthcare ecosystem
- ✦ Connect talent with leading companies in healthcare innovation

# Who you'll meet.

# Our participants are tomorrow's changemakers

Over 200 of Europe's brightest minds in one place, for this unique annual event.  
Representing 25+ countries across Europe.

## 200 FUTURE INNOVATORS FROM ACROSS EUROPE:

### **Students at all levels of learning:**

Bachelor's, Master's and PhD students trained in entrepreneurship & health innovation

### **Specialist fields of study:**

Engineering,  
Medicine, Life Sciences,  
Biomedicine, Business

### **Ambitious minds**

graduates with entrepreneurial mindset and innovative skills from leading EIT label degree programmes

# Why sponsor the EIT Health Career Path event? Connect, inspire, and stand out

## High visibility

- ✦ Showcase your expertise with keynote speeches and workshops

## Access top talent

- ✦ Meet and inspire top entrepreneurial and innovation focused students

## Powerful exposure

- ✦ Position yourself as an innovation leader in the European innovation ecosystem and inspire and educate future healthcare leaders

## Great for recruitment and networking

- ✦ An excellent opportunity to connect with young healthcare innovators from different sectors

# Event programme highlights

27TH - 28TH NOVEMBER 2025 | PARIS, FRANCE

## Keynote Speaker –

**30 minutes**

Industry expert sharing insights on the future of health innovation and career development.

## i-Days Semifinals and Finals

i-Days are Europe-wide innovation challenge-based competitions where students develop solutions to real-life health challenges. Local winners advance to the European semifinals and finals, where sponsors can participate as jury members, gaining visibility and direct access to emerging talent and ideas.

## Workshops –

**90 minutes**

Hands-on sessions where participants explore cutting-edge solutions and collaborate on innovative ideas. Sponsors can align with specific workshops or lead one of them to showcase their expertise.

## Connect Zone:

An exclusive networking area for sponsors, speakers, and participants to engage directly. Sponsors will have prime visibility, with opportunities to facilitate one-on-one conversations and foster collaborations:

- **30 mins** opening session introducing participating companies.
- **3 to 4 hours** of networking opportunities throughout the event.
- **1hr** dedicated to the Connect Zone: Exclusively for exhibitors and career development corners.
- **30 mins** of networking & closing with informal discussions.

# Our target community of sponsors & stakeholders

THE PROFILES WE'RE INVITING TO SHAPE AND SUPPORT THE EIT HEALTH CAREER PATH EVENT 2025
